

# *Seminars and Panels*

**2016 Script Reading “The Hot Rod”**– Join us as Judd Nelson, David Kaye, Venus Terzo, Gregg Berger and Frank Todaro take part in the 2016 BotCon script reading. Written by John-Paul Bove and Jesse Wittenrich. You don't want to miss this Friday afternoon main event!

**HASBRO TRANSFORMERS - BEHIND THE SCENES:** The Hasbro Design and Marketing teams will give a peek under the hood of new products coming out this year including reveals in their GENERATIONS and ROBOTS IN DISGUISE ranges. The team will share insightful details into the inspiration and style of the new figures. Be sure to bring your burning questions for a Q&A session.

**Judd Nelson Q&A**– Our Saturday afternoon main event! The panel fans have been waiting 20 years to see. Come be a part of history as Judd Nelson makes his first ever Transformers convention appearance. This moderated panel will cover his amazing film and television career with a spotlight on his role as Hot Rod in Transformers: The Movie and his appearance on Transformers: Animated.

**Transformers Collectors' Club Roundtable** – Join the Club staff as they answer your questions about the Club, figure creation, manufacturing and the announcement of future exclusives! Panel hosts - Brian Savage, Lanny Lathem, David S. Lane and Pete Sinclair.

**Transformers Filmfest** – Join us for a great time watching what chaos your fellow fans have created for the big screen. It's always a riot!

**Stan Bush & Vince DiCola Q&A** – Join Stan and Vince as they recount their time working on the original 1986 Transformers: The Movie and to discuss the current projects they are working on.

**Cybercast** –The hosts of Cybercast Podcast will be broadcasting live from BotCon, highlighting the events of the weekend with maybe even a special guest or two stopping by to reach out to everyone watching the events of BotCon 2016 from all over!

**Beast Wars 20th Anniversary Panel** – David Kaye and Venus Terzo will be on hand for this panel to discuss their respective roles in bringing 1996's Beast Wars series to CGI life. This is sure to be a fun panel as there will be plenty of great stories for fans of the Beast Wars series.

**Venus Terzo Q&A** – Join us as Frank Todaro sits down one on one with Venus to ask her selected questions from the audience regarding her role as Blackarachnia on Beast Wars, what she is up to now and everything in-between!

**Gregg Berger Q&A**– Frank Todaro takes the interview chair again as he talks with Gregg about his work on the original Generation 1 Transformers series and voicing one of its most iconic characters, Grimlock!

**TCC Magazine Panel** – Join Pete Sinclair as he hosts this panel highlighting the print offerings from Fun Publications with Special Guest John-Paul Bove via Skype to discuss this year's IDW BotCon produced comic!

**The Art of Transformers** – Join some of the leading Transformers artists of today as they discuss their work on the comics, packaging art and other projects that help make Transformers the amazing brand that it is!

**Hayato Sakamoto's Transformathematics** – From character designs on More Than Meets The Eye to Unite Warriors and G1 material, be there as TF artist Hayato Sakamoto and host Andrew Hall delve deep into unknown TF lore!

**Cosplay w/Rosemary Ward** – A look behind the curtain, or the costume in this case. Join Rosemary as she talks about the boom of Transformers Cosplay and some of the unique challenges in bringing everyone's favorite robots to virtual life.

**BotCon Over the Years** – A look back at BotCon and the impact it has had on the Transformers brand.
